

Together (New Version)

DJ Bobo

[Chorus 1]

We are what we are - Together
And we went so far - Together
We are what we are - Together
We all long for a land to be freeThe promised land is close to you
The rain is gone, the sky is blue
Hand in hand we can survive
We're fighting for a better lifeIt's a new generation
Without hate and frustration
Promised land, promised nation
Without pain, without control[Chorus 2]
Together forever for all the time
Together we welcome the secret sign
Together in freedom we take the chance
Together forever we will be friends[Chorus 1]Planet earth is our place
Insanity is lost in space
A world of dreams is what we share
Where honesty is in the airIt's a new generation
Without hate and frustration
Promised land, promised nation
Without pain, without control[Chorus 2][Chorus 1][Rapping]
Together forever for all the time
Together we welcome the secret sign
Together in freedom we take the chance
Together forever we will be friends[Chorus 2][Chorus 1]Together forever
We'll be together
We are long for a land to be free
