M.D Pallavi

Eni Mahadanandave o bhamini
Eni sambhramadandave baluchandave
Eni Vruthamoda eni murajananda
Eni jeevonmada eni vinoda

Dakkeya shiraketti â€“ talagolim tatti
Takkita dhimikita â€“ tajanurenisi
Kukkute charanava kulukute kayava
Sokkida kunitava kunive ninnele bale

Aru ninnaya hrudagarade nartisi
Mara shurateya pracharishutirpan
smeravadana namma channakeshavaraya
Organnim sanne torutalihanene
