You're the Only One

Phil Perry

You're the only one
You're the only one
You're the only one
You're the only oneYou're the only oneThere is no other love
That exists on this earth sent from above
Your love feels like the pouring rain
And I'm standing here to sayDon't you know that I
Just can't stop
feeling the way I do
Don't you know that I
Just can't stop
I'm so in love with you
Here is my heart in my hand
And I wanna be your man
So I'm taking time to say
That you're the only oneYou're the only one (Mmmmm)
You're the only one (Darling you're)
You're the only one (Mmmmm)
You're the only oneBecause your love ???
Be with me baby ???
Baby your love ???
???Your beautiful like the sun above
everytime you smile at me I' showered with your love
It's a love that's shared by me and you
and we're here to say I doI just can't stop
feeling the way I do
Don't you know that I
Just can't stop
I'm so in love with you
Here is my heart in my hand
And I wanna be your man
So I'm taking time to say
That you're the only oneYou're the only one (I'll always love)
You're the only one (I'm thinking of)
You're the only one (I want your love)
You're the only one (I'll ever love)Because your love ???
Be with me baby ???
Baby your love ???
???I just can't stop

feeling the way I do
Don't you know that I
Just can't stop
I'm so in love with you
Here is my heart in my hand
And I wanna be your man
So I'm taking time to say
That you're the only oneYou're the only one (I'll always love)
You're the only one (I'm thinking of)
You're the only one (I want your love)
You're the only one (I'll ever love)Because your love ??? Cause you're the one
Be with me baby ??? Your love one
Baby your love ???
???
Never be in love
You wanna go with me???
You're the one for me
