

# Coast to Coast

Glenn Hughes

Goin' today, just passin'  
The road I know so well  
Seems the more I ride you  
You give me more, you'll tell  
And if I try, soon it will show  
To keep me strong  
And know that I've had times  
So good from coast to coast  
Leavin' my hard times behind, behind  
And if I try soon it will show  
To keep me strong  
And know that I've had time  
So good from coast to coast  
Leavin' my hard times behind  
Oh, I love the coast  
I love the coast  
Oh, yeah, oh yeah  
I love the coast, oh yeah
