

Just Call Me Lonesome

[Elvis Presley](#)

Why must I love a heartless woman
Who'll never know the harm she's done?
Though love is blind I should have known
Just call me lonesome from now on I climb the stairs up to my room
But no one meets me in my gloom
The silence tells me she is gone
Just call me lonesome from now on These walls will hide me when I cry
Let hope that Heaven lets me die
What good is life when hope is gone
Just call me lonesome from now on
Just call me lonesome from now on
