

# (i) Get Lost

Eric Clapton

I'm sorry  
Why should I say, I'm sorry?  
If I hurt you  
You know you've hurt me too  
But you get lost inside your tears  
And there is nothing I can do  
'Cause I get lost inside my fear  
That I am nothing without you  
You're angry  
Why shouldn't you be angry?  
With what we've been through  
Well, I get angry too  
But you get lost inside your tears  
And there is nothing I can do  
'Cause I get lost inside my fear  
That I am nothing without you  
That I am nothing without you  
Why should we have taken so long  
To be looking inside of our mind?

Everything we tried went wrong  
Are we worried 'bout what we might find?

I'm sorry  
But can I say, I'm sorry?  
If I hurt you  
You know it hurts me too  
But you get lost inside your tears  
And there is nothing I can do  
'Cause I get lost inside my fear  
That I am nothing without you  
And you get lost inside your tears  
And there is nothing we can do  
'Cause I get lost inside my fear  
That I am nothing without you  
That I am nothing without you  
Feel like I'm nothing without you  
And I am nothing without you  
Like I am nothing without you
