

Give You My Lovin

[Mazzy Star](#)

Give you my lovin'
Seven days a week
I'll be your honey
If you'll be sweet
I know I'm the only one for you
I know that you think this is not true
Man says it's rainin'
Rainin' outside
I'll be out there in a little while
Cause you see
Rain reminds me of you
And everything has turned to you
See you in places
I'm following you
You'll be upstairs
And I'll be there too
Everywhere you go
I will follow
I know it won't be the same tomorrow
People give me warnings
Stay away from you
They say you'll hurt me
I don't think that's true
Discomfort arouses when I speak of you
As if you've been sayin' something bad
About me
