Saint Or Sinner

Aggro Santos

Whoa, in the nightI got what you need, boy
Got what you need, boy
I got what you need, boy
Saint or a sinnerYo, she's a part time good girl, other time raver
Wants to be rescued, I'll be her savior
Experimental, hyper, yet gentle
When I'm in a rave man, I drive her mentalStraight to the center, roll no pretender
Loves to tease me, wearin' La Senza
I didn't think it would be like this
But now I'm gonna give you a time you'll rememberI got what you need, boy, boy
Yeah? And you do dress stylish
Plus, you look good to the iris
Off all the girls in here your the nicestPretty in pink
(Yeah)
Thinks how I think
(Yeah)
Up for a good time after a drink
Bring out the bad side ever so slightly
And the next day, there's a good girl beside me
(Vamos)No need to decide you want a saint or a sinner
I can be both just speak what's on your mind
Two people in one, baby, I'll be a winner
Just let me know and turn off all the lightsI got what you need, boy
What you need, boy
Seoritas, come with the Santos
I got what you needI got what you need, boy
Got what you need, boy
I got what you need, boy
Saint or a sinnerI got what you need, boy
Got what you need, boy
I got what you need, boy
Saint or a sinnerEh baby girl, what's happenin'?
Where do I know you from? I've been travellin'
I been everywhere for someone like you
But I haven't found someone that does what you doStay in, do ya? Go out do ya?
Like a pound coin, got two sides, do ya?
I wanna see a bad girl in the zone
So tell me, ya left the good girl at homePretty in pink

Thinks how I think
(Yeah)
Up for a good time after a drink
Bring out the bad side ever so slightly
And the next day, there's a good girl beside me
(Ha)No need to decide you want a saint or a sinner
I can be both just speak what's on your mind
Two people in one, baby, I'll be a winner
Just let me know and turn off all the lightsI got what you need, boy
