

Heartbreaker

The Crystals

Heartbreaker, hip shaker, troublemaker
Yeah, yeah, yeah, yeah That's the boy I'm waiting for
'Cause he'll grow up someday
I know he treats me mean, but he's 17
He thinks he's gotta act that way
Oh yeah, he's a Heartbreaker, hip shaker, troublemaker
Yeah, yeah, yeah, yeah Don't you know he winks his eye
At every girl he sees, yeah?
He's a flirt, all right, he stays out all night
They call him Mr. B A D But I don't care, I love that boy
From the very first time I kissed him
So I have to wait until
He gets it out of his system
Yeah, yeah, yeah, yeah
Oh yeah, he's a Heartbreaker, hip shaker, troublemaker
Yeah, yeah, yeah, yeah That's the boy I'm waiting for
'Cause he'll grow up someday
I know he treats me mean, but he's 17
He thinks he's gotta act that way
Oh yeah, he's a Don't you know he winks his eye
At every girl he sees, yeah?
He's a flirt, all right, he stays out all night
They call him Mr. B A D Oh yeah, he's a
Heartbreaker, hip shaker, troublemaker
Yeah, yeah, yeah, yeah
Heartbreaker, hip shaker, troublemaker
Yeah, yeah, yeah, yeah Heartbreaker, hip shaker, troublemaker
Yeah, yeah, yeah, yeah
