

Call of Silence

[Hiroyuki Sawano](#)

Don't you think about me enough?
I've been burning my heart out
I've got to face, need to tell you
I won't run because I'm reticent
You will know you're reborn tonight
Must be ragged but I stay by your side
Even if my body's bleached to the bones
I don't want to go through that ever again
So cry no more, oh my beloved
Go ahead, be proud and fight it out
You are the ONE, our rising star
You guide us far to home yet girt
