

# Emily(Toyshop Mix)

## From First to Last

Smiles and her laughter  
It's the only thing  
That I've been waiting for a time  
Regardless of our distance and our hope  
Grows greater  
Trapped by pretty eyes and letters for all time  
The only thing that I've been waiting for. I hope it's something worth the waiting  
Cause it's the only time that I ever feel real  
Thunder storms could never stop me  
Cause there's no one in the world like EmilyShe's simple yet confusing  
Her sparkling eyes make me weak at my words, they tremble  
Days seem like years in this month of December  
The winter coldens me for I have yet to sleep  
And never will I give up trying  
Because you're everything to meI hope it's something worth the waiting  
It's the only time that I ever feel real  
Thunder storms could never stop me  
Cause there's no one in the world like Emily.
