## **All Cried Out**

## **Alison Moyet**

You took your time to come back this time

The grass has grown under your feet

In your absence I changed my mind

And someone else is sitting in your seatI know that I said there'd be no one else

I know that I said I'd be true

But baby, I burned the Cupid's arrow

And here's the short and the narrow, I've nothing left to offer youI'm all cried out, you took a whole lot of loving

For a handful of nothing

All cried out, it's hard to give you something

When you're pushing and shoving me aroundSo don't look surprised there was no disguise

You knew where I stood from the start

So stop, look around you

You're right back where I found you

Take back your cold and empty heartAll cried out, you took a whole lot of loving

For a handful of nothing

All cried out, it's hard to give you something

When you're pushing and shoving All cried out, you took a whole lot of loving

All cried out, it's hard to give you something

When you're pushing and shoving me aroundYou go your way

I'll go mine

I won't stay around here

Don't you waste my timeAll cried out, you took a whole lot of loving

For a handful of nothing

All cried out, it's hard to give you something

When you're pushing and shoving All cried out, you took a whole lot of loving

All cried out, it's hard to give you something

When you're pushing and shoving me aroundAll cried out, you took a whole lot of loving

For a handful of nothing

All cried out, you took a whole lot of lovingAll cried out, you took a whole lot of loving

For a handful of nothing

All cried out, it's hard to give you something
