Miss Me

Mohombi

Lady, I don't wanna dance with nobody, but you
If you don't believe me let me just work on your body to prove[Nelly]
You see shorty got it all
6 inches left
Shorty got them on
My [?] lost, lips spread
Kiss me through the phone
Or better yet spend a lot
And kiss me in the 'morn
You gonna miss me when I'm goneIt's been a rough week
Another drink please
I'm rocking the floor, that's when
You do your entrance, sexy movements
You knock me off shore[pre-chorus]
Girl it seems like you need company
I can tell by the look in your eyes
Could you possibly, exclusively
Give me just a minute of your time[Chorus]
Lady, I don't wanna dance with nobody, but you
If you don't believe me
Let me just work on your body, to prove
You're gonna miss me when I'm gone
Miss me when I'm gone
Miss me when I'm gone, tonight
I'm gonna miss you when you're gone
Miss you when you're gone
Miss you when you're gone, tonightHot like the tropic
No one can top it
We runnin' the floor, tonight
Your swag is so sick
You got me homesick
3 o'clock and we're out[pre-chorus]
Girl it seems like you need company
I can tell by the look in your eyes
Could you possibly, exclusively
Give me just a minute of your time[Chorus]
Lady, I don't wanna dance with nobody, but you
If you don't believe me
Let me just work on your body to prove

You're gonna miss me when I'm gone
Miss me when I'm gone
Miss me when I'm gone, tonight
I'm gonna miss you when you're gone
Miss you when you're gone
Miss you when you're gone, tonight[Nelly]
Hey shorty, how that body work
Let me see that body jerk
Let me get behind it
Snap it, claim it like I found it first
Throw that thing off in reverse
Slap that thing off in the dirt
Bring it up and over just enough to see under your skirt
Damn shawty, you know what to do
And I don't want to dance
With nobody else but you
See they may be a 10
But next to you girl, they a 2
And you going to want to take me home
Once she see just what I'm onLady, I don't wanna dance with nobody, but you
If you don't believe me
Let me just work on your body to proveLady, I don't wanna dance with nobody, but you
If you don't believe me
Let me just work on your body to prove
You're gonna miss me when I'm gone
Miss me when I'm gone
Miss me when I'm gone, tonight
I'm gonna miss you when you're gone
Miss you when you're gone
Miss you when you're gone, tonight[Hey!, Oh!, Hey!]
[Hey!, Oh!, Hey!]
