

# If You Love Me

Jackie Trent

If the sun should tumble from the sky  
If the sea should suddenly run dry  
If you love me, really, really love me  
Let it happen, I won't care

If it seems that everything is lost  
I will smile and I will never count the cost  
If you love me, really really love me  
Let it happen, darling, I won't care

Shall I catch a shooting star?  
Shall I bring it where you are?  
If you want me to I will  
You can set me any task  
I will do anything that you ask  
If you'll only love me still

When at last our life on earth is through  
I will share eternity with you  
If you love me, if you really love me  
Let it happen darling, I won't care  
Then whatever happens, I won't care
