Beauty Fiend

My Ruin

Yes, it's true, I've got demons inside me
And sometimes they need to speak
My dark places make me feel ugly
My lips are glossed but my heart is weakI'm diseased as seen on TV
Please forgive me for not being pretty or sexy
But God never blessed me
Here's what you'll find next time you undress meScars
Wounds
I'm bruisedWatch me bleed
I'm your beauty
Watch me bleed
Beauty fiendOnce again, without perfect teeth
I begin the dream as I sleep
Soon I've sinned, my skin is still thick
My mouth as always is brutally honestAt my calmest
I'm tired of explaining how it feels
To be exploited and rated number one, two or seventeen
Fuck what they print in those damn magazinesScars
Wounds
I'm usedWatch me bleed
I'm no beauty
Watch me bleed
Beauty queenWatch me bleed
I'm your beauty
Watch me bleed
Beauty fiendStuck inside this mask of mine
There's no place for me to hide
Won't you please come suck me dry
Don't touch me, don't fucking touch me, don't touch meWhy can't you see beyond my skin
Size, my shape, my ass, my tits
I am not your pretty face
I'm just a girl, the girl you love to hateWatch me bleed
I'm no beauty
Watch me bleed
Beauty queenWatch me bleed
I'm the beauty
Watch me bleed
Beauty fiendCan't you see beyond my skin
Size, my shape, my ass, my tits

I am not your pretty face
I'm just a girl, the girl you love to hateStuck inside this mask of mine
There's no place for me to hide
Won't you please come suck me dry
Don't, don't you fucking touch me pig
