

Beauty Fiend

My Ruin

Yes, it's true, I've got demons inside me
And sometimes they need to speak
My dark places make me feel ugly
My lips are glossed but my heart is weak I'm diseased as seen on TV
Please forgive me for not being pretty or sexy
But God never blessed me
Here's what you'll find next time you undress me Scars
Wounds
I'm bruised Watch me bleed
I'm your beauty
Watch me bleed
Beauty fiend Once again, without perfect teeth
I begin the dream as I sleep
Soon I've sinned, my skin is still thick
My mouth as always is brutally honest At my calmest
I'm tired of explaining how it feels
To be exploited and rated number one, two or seventeen
Fuck what they print in those damn magazines Scars
Wounds
I'm used Watch me bleed
I'm no beauty
Watch me bleed
Beauty queen Watch me bleed
I'm your beauty
Watch me bleed
Beauty fiend Stuck inside this mask of mine
There's no place for me to hide
Won't you please come suck me dry
Don't touch me, don't fucking touch me, don't touch me Why can't you see beyond my skin
Size, my shape, my ass, my tits
I am not your pretty face
I'm just a girl, the girl you love to hate Watch me bleed
I'm no beauty
Watch me bleed
Beauty queen Watch me bleed
I'm the beauty
Watch me bleed
Beauty fiend Can't you see beyond my skin
Size, my shape, my ass, my tits

I am not your pretty face
I'm just a girl, the girl you love to hate
Stuck inside this mask of mine
There's no place for me to hide
Won't you please come suck me dry
Don't, don't you fucking touch me pig
