

Jekyll and Hyde

The Shires

You make me wanna forget that I'm a good guy
You make me wanna give in to my dark side
You make me an animal
You're tearing up your jungle
Or burning up the seas
Could make me wanna unleash the beast
Jekyll and hyde
I can't fight
When I'm with you
I'm just howling at the moon
There's a monster baby
You're gonna see it tonight
Jekyll and hyde
Jekyll and hyde
You make me wanna forget that I play by the rules
Down throw my halo and give it to you
You make me ignite
And I try but I can't fight it
I'm burning up a fever
You make me wanna unleash the beast
Jekyll and hyde
I can't fight
When I'm with you
I'm just howling at the moon
There's a monster baby
You're gonna see it tonight
Jekyll and hyde
Jekyll and hyde
I wanna give you, all my lovin' lovin'
I wanna make you want for nothin' nothin'
I wanna cross that line
I wanna make you mine
Cause there's something dark and dangerous
Exciting, excite me
Jekyll and hyde
I can't fight
When I'm with you
I'm just howling at the moon
There's a monster baby
You're gonna see it tonight
Jekyll and hyde
Jekyll and hyde
Jekyll and hyde
Jekyll and hyde
