Prisoner (Live from Charleston, SC - 04/17/10)

NEEDTOBREATHE

Down in a hole, baby
You're locking me up, you're locking me up
I got bound by a cold lady
She's locking me up, she's locking me upBut I'm down in a hole, baby
I'm 'bout to give up, just about to give up
I got bound by a cold lady
She's locking me up, she's locking me upAnd this pain, this pain I feel
Won't set me free from you'Cause I'm a prisoner of your heart
Taking it slow but then I locked up hard
I am a prisoner of your heart
I was taking it slow but I was caught off guardI'm helpless and I'm hurting
I'm affixed to your moves and you're shaking me down
You got me locked up in the doghouse
You had to chain me up 'cause I was falling for youI'm a helpless situation
I've been cut to the bone and I'm coming for more
So if you need me I'll be waiting
For the girl that I love just to pick me outThe lockless cage you trapped me in
Has brought me to my knees'Cause I'm a prisoner of your heart
Takin' it slow but then I locked up hard
I am a prisoner of your heart
I was taking it slow but I got caught off guardI am a prisoner of your heart
Taking it slow but then I locked up hard
I am a prisoner of your heartI'm a prisoner of your heart
I was taking it slow but then I locked up hard
I am a prisoner of your heart
I was taking it slow but I got caught off guardI'm a prisoner of your heart
Taking it slow but then I locked up hard
I'm a prisoner of your heart
I was taking it slow but I got caught off guard
