This Is A Game

Nick Waterhouse

This is a game
I wish it wasn't so.
Before we get started
there's one thing about it
that you should know:
That this is a game
please remember my words,
and don't get upset when you don't get
what you think you deserve

This is a game
you get visions of thieves;
Watch your deck stack,
get taken back,
and turned up sleeves.
But this is a game
and those who play with skill
aren't quite saying it's do or die
but anyway, you're gonna get killed

This is a game
