Holding On (When Love Is Gone)

L.T.D.

Holding on
Is very hard to do
When love is gone
And that's no lie
Holding on
Is very hard to do
When love is gone
Hey, hey, hey, yeahI get you're unhappy, I know you gotta be (I know you gotta be)
?Cause it can drive you out your mind
There ain't no sense in cryin', it's time for you to leave (Time for you to leave)
Baby, that's the bottom lineI betcha lie awake nights and never rest a bit
And wish it all would disappear (Yeah)
But still the bottom line is you got to deal with it
And to yourself at least be fairSaid holding on
Is very hard to do
When love is gone
And that's no lie
Holding on
Is very hard to do
When love is gone
Hey, hey, hey, yeahHa-ha-ha
Who are you kidding
Doo doo doo doo
Ha-ha-ha
Who are you kidding
Doo doo doo doo
Ha-ha-ha
Who are you kidding
Doo doo doo doo
Ha-ha-ha
Who are you kiddingSaid holding on
Is very hard to do
When love is gone
And that's no lie
Holding on
Is very hard to do
When love is gone
Hey, hey, hey, yeahI get you're unhappy, I know you gotta be (I know you gotta be)
?Cause it can drive you out your mind

There ain't no sense in cryin', it's time for you to leave (Time for you to leave)
Baby, that's the bottom lineI betcha lie awake nights and never rest a bit
And wish it all would disappear (Yeah)
But still the bottom line is you got to deal with it
And to yourself at least be fairSaid holding on
Is very hard to do
When love is gone
And that's no lie
Holding on
Is very hard to do
When love is gone
When love is gone, heyHolding on

When love is gone
Oh yeah
Holding on
Holding on is so very hard to do
When love is gone
So very hard to do, yeah, oh saidAh, yeah
I said
Hey, I said
Listen to me nowWhen you know the feeling's gone
Then you've got to stop holdin' on
?Cause that makes it twice as bad
You can't give love that you don't have
So why drag it on and on and onHolding on
Holding on and on and on, yeah
When love is gone
Hey, hey, said that I'm holding onHolding on
Is so very hard to do when your love is gone
When love is gone
When your love is gone, yeahHolding on
Is so very hard to do when the love is gone
When your love is gone
Yeah, yeahHolding on
Oh, yeah, yeah, yeah, yeah
