

I'm a One Woman Man

George Jones

If you told me that you love me, I would feel so proud

If you'd let me hold you honey, I'd holler out loud

I'll never love another even if I can

Oh, come to me baby I'm a one woman man Won't you let me baby just a kind of hang around

I'll always love honey and I'll never let you down

I'll never love another even if I can

Well come to me baby, I'm a one woman man I'd climb the highest mountain if it reached a bigger sky

To prove that I love you, I'd jump off and fly

I'd even swim the ocean from shore to shore

To prove that I love you just a little bit more Won't you let me baby just a kind of hang around

I'll always love honey and I'll never let you down

I'll never love another even if I can

Oh come to me baby, I'm a one woman man If you told me that you love me, I would feel so proud

If you'd let me hold you honey, I'd holler out loud

I'll never love another even if I can

Oh, come to me baby I'm a one woman man Won't you let me baby just a kind of hang around

I'll always love honey and I'll never let you down

I'll never love another even if I can

Oh come to me baby, I'm a one woman man

Come to me baby, I'm a one woman man
