One & Only

Dustbox

Ahahahahahah yeah
Have I been away too long?
Did I miss all the action?
What happened to the neighbors and the girl next door?
Did you get my greetings?
What happened to the graffiti?
And what about this crap on the walls?

Did I forget about someone?
No offense but I have to
I didn't have a respect for the violence
And what about this music?
Did I forget something else?
When I left in silence

Don't let the shadows reach me (Don't let the shadows reach me)
Don't let the shadows swallow the light while I'm sleeping, yeah
Whatever comes to your mind just hit me
Ah ah...
It's my time
My time
The one and only lonely
Ah ah...
It's my time
My time
The one and only lonely
The one and only lonely

Did I win the first prize?
Have I crossed the enemy lines
Got stabbed in the back but I don't know why
Like walking on the eggshells
Stepping over landmines
Waiting for the moment from the open sky

Did you forget about something?
Did you forget about you and me?
What about this envy around me?
Did I do something wrong?
Have I been away too long?

In middle of these changes

Don't let the shadows reach me (Don't let the shadows reach me)
Don't let the shadows swallow the light while I'm sleeping, yeah
Whatever comes to your mind just hit me

Ah ah...
It's my time
My time
The one and only lonely
Ah ah...
It's my time
My time
The one and only lonely

Oh...
Oh...
Oh...
Oh...whatever comes to your mind just hit me
Whatever comes to your mind

Ah ah...
It's my time
My time
The one and only lonely
Ah ah...
It's my time
My time
The one and only lonely
Ah ah...
It's my time
My time
The one and only lonely
Ah ah...
It's my time
My time
Whatever comes to your mind just hit me
