

A Girl's Gotta Do (What A Girl's Gotta Do)

[Mindy McCready](#)

The first thing I did when you said "Goodbye"
Was sit myself down and have a real good cry
The next thing I did was put my red dress on
And go downtown dancing till the break of dawn A girl's gotta do what a girl's gotta do
And now I've gotta get to gettin' over you
Too bad I gotta do it with someone new
But a girl's gotta do what a girl's gotta do Fancy meeting you at our stomping ground
Sorry if you caught me paint the town
Guess I shoulda stayed home with your memory
Baby don't take it personally A girl's gotta do what a girl's gotta do
And now I've gotta get to gettin' over you
Too bad I gotta do it with someone new
But a girl's gotta do what a girl's gotta do Give me a call some time real soon
And remind me to remember to forget about you, ohh yeah A girl's gotta do what a girl's gotta do
And now I've gotta get to gettin' over you
Too bad I gotta do it with someone new
But a girl's gotta do what a girl's gotta do A girl's gotta do it
Yeah a girl's gotta do it
Too bad I gotta do it with someone new
Too bad I gotta do it with someone new
But a girl's gotta do what a girl's gotta do
