

Rocky

Butthole Surfers

Well all of my friends, baby
They're going insane, now
Look up at my fingers, baby
Get lost in the rain
Halfway off the ground
Jumping up and down
Afraid to hear the sound
Of all that's going down
Na na na na baby
Hey Hey Hey Hey
Dear Baby Jesus
Here are my shoes
They don't smell so hot
But they've never read the news
Well all of my friends, baby
They said I'm insane, now
I'm snappin my fingers, darlin
Get lost in the rain
Walking through a haze
Of scattered memories
I'm flying through the trees
Their roots are at my knees
Na na na na baby
Hey Hey Hey Heeeeeeeey
Afraid to hear the sound
Of all that's going down
