Supergirl

Hilary Duff

Who can make you mad when you're having a blast
I can, I can
And who can pick you up when you feelin' like you suck
I can, I can
And who knows what you think without you saying anything
I do, I do
Who had you figured out and never had a doubt
I did, I did
Haven?t you heard, I'm Supergirl?
You don?t wanna mess with me
I got your back, I know your every move
And I got everything you'll ever need
I can make you hang on every single word
Like this, like this
It could be my vibe, maybe it's my mind
Could be my kiss, could be my kiss
But when I'm around you
There?s nothing I can't do, I'm at my best, I'm at my best
Well, maybe I'm so good 'cause your standing in the room

You wish, you wish
Haven?t you heard, I'm Supergirl?
You don't wanna mess with me
I got your back, I know your every move
And I got everything you'll ever need
I'll take your headache away
Give you one another day
I'll be the reason that you live
I'll show you what you've always missed
Haven?t you heard, I'm Supergirl?
You don't wanna mess with me
I got your back, I know your every move
And I got everything you'll ever need
I'm Supergirl
I got your back, I know your every move
And I got everything you'll ever need
I got everything
