

Imagine Me

[Alexis Spight](#)

"This song is dedicated to special, unique people like me... outcasts which are never cast out".Imagine me

Loving what I see when the mirror looks at me cause I

I imagine me

In a place of no insecurities and

I'm finally happy cause

I imagine meLetting go of all of the ones who hurt me

Cause they never did deserve me

Can you imagine me?

Saying no to thoughts that try to control me

Remembering all you told me

Lord, can you imagine me?

Over what my mama said

And healed from what my daddy did and

I wanna live and not read that page again

Oh, oh...(Imagine me) Imagine me, (being free) being free,

trusting (trusting) you (you) totally (totally, finally)

I can... (I can imagine me)

I will admit it was hard to see

You being in love with someone like me.. yeah

Finally I can...

Imagine meBeing strong

And not letting people break me down

You won't get that joy this time around

Imagine me

In a world where nobody has to live afraid

Because of your love, fear's gone away

Can you imagine me?Letting go of my past and

I'm glad I have another chance and

My heart will dance'Cause I don't have to read that page againOoh,

(Imagine me, being free) Oh, I can change myself, (trusting you totally) oh, yeah, oh, oh, yeah. (Finally, I

can...imagine me)(Rap)

I used to beat myself up all the time

Always been strange so I thought I'd never shine

Trying to be accepted, always was rejected

But the Lord held me in his hand

Kept me in his plan

I thought I would go astray.

But he kept me by his grace

It's only by his grace that I'm standing here today

I can smile at you and say that I'm free, yeah, yeah, yeah Oh can you imagine me? (Bye bye) Oh... (So long)

So long (Bye bye)

Look at your problems (So long) and tell 'em bye bye (Bye bye)

My fears, (So long) my insecurities, (Bye bye) You have no place here (So long)

It's all gone. (Bye bye) All gone. (So long) Bye bye. (Bye bye) Bye bye. (So long)

You have no place here. (Bye bye) Bye bye. (So long)

Can you imagine me?

Can you imagine me?
