Refr : Hey Bob - sing me a song  
sing me a song about time  
times they are achanging  
jingling jangling fast as rolling stones  
\* uplifts and downfalls  
are knocking on heavens door  
my questions are blowing in the wind  
and the crinkle crankle morning  
is dancing through my bones  
\* hey Bob - sing me a song  
sing me a song about time Rockn roll and flower power people  
inaugurated an era  
with the power of music as a revolution  
\* you were there from the start  
became a spokesman for a new generation  
\* are you just a lucky guy  
who was in the right place at the right time  
or are you a piece in the puzzle  
of mankind

Refr Do you believe in coincidences  
or do you believe in reasons  
do you believe youre a brick in the wall  
\* still the world needs dreamers  
still the world needs vanguards  
masters of peace  
\* its too many warriors  
who disappear into the shadows  
its a time for sitting in the sofa  
and its a time for going out  
in the streets

Refr Everything is based on once upon a time  
and its weeds everywhere  
someone has to point it out and tell  
\* thanks for what youve done  
your help to increase awareness  
and to look for why  
\* peace is not an illusion

even if its difficult  
at times  
and love is the guide when we look  
behind  
Refr
