

Tight

Berman

in You, i feel so safe and sure, in You, i feel all that is pure, in me, there's nothing i can give in me, no worthy
life can i live
but in Your arms i feel so tight, please don't leave me day or night, in Your arms i feel so tight, everything else
is empty,
in You, i find my hiding place, where i can always see Your face, in me, there's nothing i can do, in me, there's
nothing i can give to You,
everything else is empty, in Your arms i feel so tight
