Human

Craig David

Come on baby dry your eyes....wipe your tears
Never meant to see you cry
I would never try to hurt you
I just needed someone to hold me
To fill this void while you were gone
To fill this place up- emptiness
Oh baby
chorus-
I'm only human.. of flesh and blood I'm made
I'm only human.. born to make mistakes
If you wanna say good-bye... that's you're deal
I just want to share my time...to your needs
Baby
I would never try to hurt you
I just needed someone to hold me
To fill this void while you were gone
To fill this place up- emptiness

oh baby
chorus-
I'm only human.. of flesh and blood I'm made..
I'm only human.. born to make mistakes
(chorus in background)
I'm only human what am I supposed to
I'm only human- Lady lady
I'm only human what was I supposed to do..
I'm born to make mistakes
I'm only human..I'm only human
What am I supposed to do now baby..
What am I supposed to do
I'm only human
What am I supposed to do baby
you and me baby..you and me baby
I'm only human baby.. baby..
What am I supposed to do
I'm only human- Lady..What am I supposed to do
I'm only I'm only. *fade out*
