

Someone out of Town

Yuna

Ohh My God I see you clearly now
In my dreams you're here with me somehow
Call my name and I will make a sound
I'm in love with someone out of town Who is this stranger
I should be scared could be dangerous
I should prepare for this
I wish I won't fall so hard for you.....You walk by but you don't see me
Slow motion and so gracefully
Be my friend and I'll show you around
I'm in love with someone out of town.....
