Do I Love You?

The School

First time I saw you with that smile upon your face
I knew I would have to make you mine
No hesitating now that time ain't on our side
Love, it is too precious for us to hideAnd do I love you? Do I love you?
Oh yes I do boy, yes I do
Do I love you? Do I love you?
Oh yes I do boy, yes I doNext time I saw you with that smile upon your face
I knew I was glad to make you mine boy
No hesitating now that time ain't on our side
Love, it is too precious for us to hide
You're the sweetest thing that ever I did see
You can make the day as bright as it can be
You're the best thing that ever happened to me
And I'm gonna show you baby, nothing's gonna be the same
