

I Know Who Holds Tomorrow

The Rochesters

In the lily of valley he sits upon the rock ; which i'll lay there when I can't move. And I saw him move
mountains and sat me upon the rock when i gave up.

I know who holds tomorrow it's my dear friend , jesus, he's been the greatest at time when I can't keep my
pieces together! Jesus is the peace keeper promise keeper and future keeper. When I feel low and it seems I
can't go but still he's my keeper of everything of all! I know who holds tomorrow it's my dear friend , jesus,
he's been the greatest at time when I can't keep my pieces together! Jesus is the peace keeper promise keeper
and future keeper. Jesus is my friend and my future keeper.
