

Back In Business

Madonna

I'm gonna show you that good guys don't always win
I'm gonna show you the brighter side of livin' in sin
So when you're six feet under, you won't wonder why
Just 'cause you got a halo, don't mean that you can fly
If you thought it was over, you're way off track
You made a blunder
And you put me back, back in business
This ain't no hit or miss, I'm gonna get my way
'Cause you put me back, back in business
You're my first witness and I'm here to stay
I'm gonna show you, good guys always finish last
Speakin' of virtue, bein' nice is a thing of the past
When I want something done, I'll say it with a gun
Just 'cause you're an angel don't mean you're havin' fun
I just wanted to thank you for what you lack
Hope they don't hang you
'Cause you put me back, back in business
This ain't no hit or miss, I'm gonna get my way
'Cause you put me back, back in business
You're my first witness and I'm here to stay
A tisket, a tasket, you've lost your yellow basket
You don't know if you want to hit me or kiss me
I just wanted to thank you for what you lack
Hope they don't hang you
'Cause you put me back, back in business
This ain't no hit or miss, I'm gonna get my way
'Cause you put me back, back in business
You're my first witness and I'm here to stay
He's back in business now, give me a hand and I'll take a bow
He's back in business now
He's comin' back in style, give me an inch and I'll take a mile
He's back and my, oh my
He's back in business now, give me a hand and I'll take a bow
He's back in business now
He's comin' back in style, give me an inch and I'll take a mile
He's back and my oh my
