All I Want Is You

Brooke Hogan

You make my mind completely crazy
You turn my world into a storm
And if I had it my way baby you would be right here
And I wish you were near
All I wanna think of lately
Is you and me and nothing else, no, no
So come on baby, won't you take me?
I know you see right through, there's nothing I can do
'Cause all I want is you and all I want is
All I need is you and all I need is
All I want is you, yeah all I want is you
Yeah you, yeah you, all I want is you, yeah
And when I need someone to save me
You're always right there by my side, oh yeah
You make it hard to hate you baby
There's nothing I can do 'cause I'm so in love with you
And baby all I need is you
All I want is you and all I want is
All I need is you and all I need is
All I want is you, yeah all I want is you
Yeah you, yeah you, all I want is you, want is you
All I want is you, yeah, you
No matter where I seem to go
You're in my heart, you're in my soul
You're inside me, appear in all my dreams
When I need you to come through
There's nothing I can't do as long as I have you
'Cause all I want is you and all I want is
All I need is you and all I need is
All I want is you, yeah all I want is you
Yeah you, yeah you, all I want is you
All I need is you, all I want is you
All I need is you, all I want is you
All I want is you, all I want is you
