

Closer To You

The Mastersons

I found a letter in my dresser from a couple years back
â€”It was written from my dad, he nearly broke his back
â€”He spent his life working a job he hatedâ€”
It could have left him bitter but he never got jaded
â€”â€”I tried to hold him close but he pulled away
â€”I'd give anything to see him once again today
â€”He died too young, it nearly broke my heart
â€”I'd give anything to take it right back to the startâ€”â€”Chorus
â€”I had a perfect dream of your beautiful faceâ€”
I woke too soon and you were lost in space
â€”I spent half the day crying at a sky so blueâ€”
And I'd give anything to be closer to youâ€”
Yeah, I'd give anything to be closer to youâ€”â€”Well, I never saw a hearse pulling a U-Haul trailer
â€”Possessions don't mean nothin' to a long lost sailorâ€”
Ashes to ashes and dust to dust
â€”If you don't keep searchin' then you're sure gonna rustâ€”â€”â€”â€”Chorusâ€”â€”â€”â€”I'm in the dar
So close, so farâ€”â€”â€”â€”I dropped a letter to my lover in the mail today
â€”I'll be damned if I'm gonna make the same mistakesâ€”
Will you join me on a journey for the rocky roadâ€”
I promise you I'll help you bear the heavy loadâ€”â€”â€”â€”Chorus
