

# I Can't Wait (Konvict Remix)

Akon

I can't wait  
I can't wait I think of you  
When the mornin' comes and the night time goes away  
All day  
Don't you ever think that we won't be okay  
No way  
There is nothing stoppin' me from lovin' you  
Touchin', and rubbin', and kissin' and huggin' you What's this feeling takin' over me?  
Baby, that's love, and it ain't stoppin' it  
I don't as far as the eyes can see  
Pick up the pace, and it ain't no droppin' it  
Always forever I'll be by your side  
You're my Bonnie, I'm your Clyde  
That's the way that it's gonna be  
I'm in love with you, and you in love with me [Chorus: x2]  
I can't wait  
Sit down and talk for a minute  
Go outside and take a walk for a minute, for a minute, for  
You  
And me I can't believe  
That someone like you will love me endlessly  
Forever  
If this goes our way, my love will always be  
Eternally  
You have set my mind, my love, my heart so free  
Together forever, however, just you and me What's this feeling takin' over me?  
Baby, that's love, and it ain't stoppin' it  
I don't as far as the eyes can see  
Pick up the pace, and it ain't no droppin' it  
Always forever I'll be by your side  
You're my Bonnie, I'm your Clyde  
That's the way that it's gonna be  
I'm in love with you, and you in love with me [Chorus: x2] I can't wait  
To have you right next to me here by my side  
I can't wait  
To kiss and caress you, girl, while I'm holding you tight  
I can't wait  
Can't imagine life without you; it just ain't right  
I can't wait

I got a whole lot of loving  
And you gonna get it tonight[Chorus: x2]
