Reasons Love

Ufo

Little bit of you
Runnin' through my vein
Little bit of everything
You know that's what you saidTry hard, try hard to reason
Reason's love
Try hard, try hard to reason
Reason's love'Cause always you indulge
And parents try to get you out of these jams
You got that envy child they won't understandThe social life you lead
Leaves nothin' to desire
Don't wanna see you bleed
But you came on like a liarTry hard, try hard to reason
Reason's love
Try hard, try hard to reason
Reason's love'Cause always you indulge
And parents try to get you out of these jams
You got that envy child they won't understandWrecked myself to love you
All you want is more
One thing you're after
You just try and scoreTry hard, try hard to reason
Reason's love
Try hard, try hard to reason
Reason's love'Cause always you indulge
And parents try to get you out of these jams
You got that envy child they won't understand
