Tell Me How U Want It

Johnny Gill

Dont be afraid of me, my darlin
Everythins gonna work out fine tonight
See, Ive got the secret to what makes you feel good
Im gonna work it on you, put it on you tonightSo take off your clothes
Lay down next to me, baby
Get ready, get ready for me tonightCan you tell me how you want it?
Can you tell me how you feel?
When Im deep inside your body
Hows it feel?Baby, does it make you scream?
Make you do 'most anythin'?
So nice, so right, all night
Ill do you rightNow I will kiss it nice and slow for you, baby
Make your body lose control, go crazy
You know theres nothin' I wouldnt do for you, baby
And tonight Im gonna, Im gonna do it all for youSo baby, baby, please if you want it you can get it right here
Ill whisper in your ear, sweet lady
Ill do it long, Ill do it strong
Just say the word and we can get it onCan you tell me how you want it?
Can you tell me how you feel?
When Im deep inside your body
Hows it feel?Baby, does it make you scream?
Make you do 'most anythin'?
So nice, so right, all night
Ill do you rightAnd Ill make you remember
Every minute I spend with you, baby
Give you more where you need it
Tell me where and how to keep it right thereCause you know I can love you
Darlin', I will never hurt you
Ill do it long, Ill do it strong
Give me the word so we can get it onCan you tell me how you want it?
Can you tell me how you feel?
When Im deep inside your body
Hows it feel?Baby, does it make you scream?
Make you do 'most anythin'
So nice, so right, all night
Ill do you rightCan you tell me how you want it?
Can you tell me how you feel?
When Im deep inside your body
Hows it feel?Baby, does it make you scream?

Make you do 'most anythin'
So nice, so right, all night
Ill do you rightCan you tell me how you want it?
Can you tell me how you feel?
When Im deep inside your body
Hows it feel?Baby, does it make you scream?
Make you do 'most anythin'
So nice, so right
