Temptations

Destiny's Child

I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I bit my lip switched, my hips as I walked by sayin'
"Sexy boy you so fly, I just might give you a try
I'm a write yo number in the palm of my hand
Oops, I forgot I got a man
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I'm thinkin' to myself should I even take a chance
Should I do what's on my mind or should I stay down with my man?
This boy got me fienin' and I'm wantin' him so bad

Should I chill one night with him and risk everything I have?
Sayin'
"Sexy boy you so fly I wish I could give you a try
But my man's at home waitin' for me by the phone
Sorry, can't get my groove on
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me

I know you see me watchin' you
And I see you watchin' me
'Cuz boy your body's callin'
Temptation is killin' me
Temptations is callin'
I been wantin' you so bad, I could cry
Relationships callin' me
To do what's wrong but I gotta do right
Temptations is callin'
