

In Transit

Albert Hammond, Jr.

Free from it all
I'm not gonna change till I want to
And I'm free from it all
I'm not gonna change till I want to By the way she looked, I should've calmed down
I went too far, oh, that's all I've got to say
By the way she looked, I should've calmed down
I went too far, oh, that's all I've got to say Free from it all
I'm not gonna change till I want to
And I'm free from the world
Where I've built too many roads By the way she looked, I should've calmed down
I went too far, oh, that's all I've got to say
By the way she looked, I should've calmed down
I went too far, oh, I went too far
