

When I Die

Brad Nailer

1.

I donâ€™t want to go to heaven when I die
I donâ€™t want to rise up yonder in the sky
Because Iâ€™m sure there wonâ€™t be fucking
And Iâ€™ll bet there wonâ€™t be beer
So I donâ€™t want to go to heaven
Why canâ€™t I just stay right here

2.

I would rather go to hell when I die
So I can hang out with my friends and get high
Eternity is such a long time
I wanna be where the partyâ€™s at
So I donâ€™t want to go to heaven when I die

Bridge

When I die
When I die
St. Peter, dude just pass me by
I donâ€™t need no pair of wings
Just give me a cold one and let me sing
