## **Emenius Sleepus**

## **Green Day**

I saw my friend the other day And I don't know Exactly just what he became It goes to showIt wasn't long ago And I was just like you And now I think you're sick And I wanna go homeHow have I been? How have you been? It's been so long What have you done with all your time? And what went wrong? I knew you back when And you, you knew me Now I think you're sick And I wanna go homeAnybody ever say no? Ever tell you that you weren't right? Where did all the little kid go? Did you lose it in a hateful fight? And you know it's trueIt wasn't long ago And I was just like you And now I think I'm sick And I wanna go home
