

Stars Come Out (Ryan Enzed Bootleg)

Zedd

You light me up
You bring the crowd
I think about this
Everytime the stars come out You light me up
You chase the clouds
I think about this
Everytime the stars come out [x5]
Everytime the stars come You light me out
You bring the crowd
I think about this
Everytime the stars come out You light me up
You chase the clouds
I think about this
Everytime the stars come out [x5]
Everytime the stars come
