

# Light Me Up

## Birdy

I'm finding my heart  
Using my hands  
You're my feet on the ground  
My footprints From where I began  
I still carry your love  
I feel your love Untie this cord  
For we don't need it no more  
Wherever we are I'm yours always It flows in my blood  
I still carry your love  
I feel your love We start running, running  
We escape this town  
We don't know where we're going 'til we turn 'round  
Now keep on running, running  
I can't slow down  
And if I'm lost my shadows fall You light me up  
When all I see is darkness  
You light me up  
When I'm down  
And if I fall apart  
You know where to find my pieces  
When they can't be found Keep my eyes shut  
Safe in this trust  
You're all that I need  
My senses Shining on me  
I still carry your love  
I feel your love We start running, running  
We escape this town  
We don't know where we're going 'til we turn 'round  
Now keep on running, running  
I can't slow down  
And if I'm lost my shadows fall You light me up  
When all I see is darkness  
You light me up  
When I'm down  
And if I fall apart  
You know where to find my pieces  
When they can't be found You light me up  
When all I see is darkness  
You light me up

When I'm down  
And if I fall apart  
You know where to find my pieces  
When they can't be found  
Ohhh Woaahh I'm finding my heart  
Using my hands  
You're my feet on the ground  
My footprints From where I began  
I still carry your love  
I feel the love You light me up  
When all I see is darkness  
You light me up  
When I'm down  
And if I fall apart  
You know where to find my pieces  
When they can't be found You light me up  
When all I see is darkness  
You light me up  
When I'm down  
And if I fall apart  
You know where to find my pieces  
When they can't be found I'm finding my heart  
Using my hands  
You're my feet on the ground  
My footprints It flows in my blood  
I still carry your love  
I feel your love
