Dont Stop

The Cuf

Baby, it don't stop and it won't quit
And I can't stop until you put your body on me
It don't stop and it won't quit
And I can't stop until you put your body on meNow the game don't stop when I operate
And hell yeah, I got you on my mind
We gon' swang, we gon' bang, we gon' dip and scrape
Blow the brain so cut the sunshineWe in motion', cruisin' and coastin'
Laughin' and jokin', girl, what, I'm smokin'
Volvo's open, ash tray's pokin'
Out on the po's but I still keep yokin'Blowin' by them haters who be constantly hopin'
That one day that ya boy go broken
But, never that, though, never, not I
That's why I need a top-notch in my lifeBaby, it don't stop and it won't quit
And I can't stop until you put your body on me
It don't stop and it won't quit
And I can't stop until you put your body on meMe and my money go together like menudo with lemon
Tell me where I got the most beautiful women
I tour around in a bus with the studio in it
I'm a boss chief and you my chief lieutenantGo bash, runnin' the lanes like Steve Nash
Tint glass all in my candy chrome whip
I smash dippin' through traffic 'cause I'm about my pay
Shoot to the Chi and Hollywood, L.A.Billboard lights and the Hollywood Hills
Put it in your life, girl, tell me how it feels
To boss that body on a ice cold Mexi'
Girl, you lookin' so sexyBaby, it don't stop and it won't quit
And I can't stop until you put your body on me
It don't stop and it won't quit
And I can't stop until you put your body on meI be loving you, girl
Touching you, girl
Holding you, girlI be loving you, girl
Touching you, girl
Holding you, girlYou be my wifey, my girlfriend
My baby boo, I got you
You never have to walk for nobody
Help you push it up on your body
Make you scream my name, girlThis is how we do it, wanna keep on rollin'
Twice last night, hit it once this mornin'
This is how we do it, wanna keep on rollin'
Hit it twice last night, hit it once this mornin'Baby, it don't stop and it won't quit

And I can't stop until you put your body on me
It don't stop and it won't quit
And I can't stop until you put your body on meTell me what it is, girl, that you like
I know it
I got you twisted, I know, girl
Come on, girl, let's spend the night, ohBaby Bash, Keith Sweat
Felli Fel, yeah
