

Blackberry Way

Move

Blackberry Way, absolutely pouring down with rain
It's a terrible day, up with the lark
Silly girl I don't know what to say
She was running away
So now I'm standing on the corner,
Lost in the things that I said.
What am I supposed to do now?

CHORUS...

Goodbye Blackberry Way, I can't see you, I don't need you.
Goodbye Blackberry Way, Sure to want me back another day.
Down to the park, overgrowing but the trees are bare
There's a memory there...
Boats on the lake unattended.
Now the laughter's drowned I'm incredibly down,
Just like myself they are neglected, turn with my eyes to the wall
What am I supposed to do now?

CHORUS....

Oooh-la Oooh-la oo, Ooh x2
Run for the train, Look behind you for she may be there,
Said a thing in the air,
Blackberry Way, see the battle field of careless sins
Cast to the winds so full of emptiness without her
Lost in the words that I said
What am I supposed to do now?
CHORUS.... (Repeat and fade)
