Lookin' at you for all my answers Bright blue eyes that go dark and empty Now that you're gone there's a reason to get strong And light has shown the truth And we're all left here with a single fear And it's all because of youTake me Take me to heaven Watch me go bye-bye To the sky Take me Take me to heaven Watch me go bye-bye To the sky YeahWords in a book with burnt up pages The meaning of which is lost to the ages Now that you're gone there's a reason to get strong And light has shown the truth And we're all left here with a single fear And it's all because of youTake me Take me to heaven Watch me go bye-bye To the sky Take me Take me to heaven Watch me go bye-bye To the sky Yeah
