

Don't You Wish It Was True

[John Fogerty](#)

I dreamed I walked in heaven, just the other night
There was so much beauty, so much light
Dont you wish it was true
Dont you wish it was trueAn angel took my hand
Said you dont have to hurry
Got all the time in the world, dont worry
Dont you wish it was true
Lord, dont you wish it was trueBut if tomorrow everybody was your friend
Anyone could take you in
No matter what or where you been
But if tomorrow everybody had enough
The world wasnt quite so rough
Lord, dont you wish it was trueHe said the world gonna change and it starting today
There will be no more armies, no more hate
Dont you wish it was true
Dont you wish it was trueAnd all the little children, will live happily
Therell be singing and laughter, sweet harmony
Dont you wish it was true
Lord, dont you wish it was trueBut if tomorrow, everybody under the sun
Was happy just to live as one
No borders, no battles to be won
But if tomorrow everybody was your friend
Happiness would never end
Lord, dont you wish it was trueBut if tomorrow, everybody under the sun
Was happy just to live as one
No borders, no battles to be won
But if tomorrow everybody was your friend
Happiness would never end
Lord, dont you wish it was true
Lord, dont you wish it was trueWhat a beautiful day
