Happy Birthday Baby

Tony Christie

Theres a special day for everyone that comes but once a year and for you my love that day of days is here.
So have a happy birthday baby may all your dreams come true, the way mine have with you, this special day i'd like to say i wish you every happiness, i hope your feelin fine, now you have a real good time and i wish you happy birthday baby mine.
i don't know what i'd do if ever i lost you, i'd have no today no tomorrow. You've made a simple joe more happy than you'd know, and today i wanna say i love you so.
So have a happy birthday baby may all your dreams come true, the way mine have with you, this special day i'd like to say i wish you every happiness, i hope your feelin fine, now you have a real good time and i wish you happy birthday baby mine.
Wear your red dress tonight and we'll dine by candlelight while the band plays those great golden oldies. i'll take you to a show and when its time to go i'll tell the cab to drive us home real slow.
So have a happy birthday baby may all your dreams come true, the way mine have with you, this special day i'd like to say i wish you every happiness, i hope your feelin fine, now you have a real good time and i wish you happy birthday baby mine.
happy birthday baby, i wish you happy birthday baby mine(repeat till end)
