Who's In the House

Carman

Oh yeah, yeah, c'mon let's do it
Yo, rock it!Born, born, born, born, born, born
He was a born to a virgin named Mary on Christmas Day
He bled and He d-died on the cross to take sin away
You take Him high, you take Him low
You take J.C. wherever you goNow tell me who, who, who, who, who?
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Jesus Christ is in the house todayThe way is straight and narrow
And few there be that find it today
But there's an angle in the tangle
And it's Jesus Christ, He's the wayThe solution to pollution of the mind
And problems with sin
For two thousand years
It's still, you must be born againNow tell me who, who, who, who, who?
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Jesus Christ is in the house todayWho do you go to when the road is long?
Jesus, you go to Jesus
Who is the answer for when things are going wrong?
Jesus, His name is JesusJesus, He's hope for the hopeless
Jesus, The Holy One
Jesus, Friend to the friendless
Jesus, God's only SonJesus, Bread for the hungry
Jesus, for every man
Jesus, for all creationWhen He's in your life, you want to dance, dance
We're kickin' it for Christ
Dance, dance, we're kickin' it for Christ
Dance, dance, we're kickin' it for Christ
Dance, dance, we're kickin' it for ChristYa'll tell me who, who, who, who, who?
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Jesus Christ is in the house

Jesus Christ is in the house
I said that Jesus Christ, He's in the house todayKick it
